#### **Course content**

### **Section 1: Introduction**

0 / 6|45min

• 1. Setup Windows Environment

18min

• 2. Setup Mac Environment

15min

• 3. Terms of Use

1min

• 4. About the Instructor

3min

• 5. Rating the Course

6min

• 6. How to get the Certificate

3min

#### **Section 2: PHP Basics**

0 / 6|1hr 30min

• 7. Output Comments

13min

• 8. Variables

12min

• 9. Operations

19min

• 10. If Statements

19min

• 11. Loops

15min

• 12. Nested Loops

11min

## **Section 3: Array and Functions**

0 / 6|1hr 6min

• 13. Array

16min

• 14. Array Part 2

13min

• 15. Array Part 3

7min

• 16. Functions

14min

• 17. Functions Part 2

9min

• 18. Recursion

6min

# Section 4: Object-Oriented Programming (OOP)

0 / 5|59min

• 19.00P

17min

• 20. this & setter getter

12min

• 21. Constructor

9min

• 22. Inheritance

12min

• 23. Parent

10min

## **Section 5: Php forms**

0 / 3|35min

• 24. Forms part 1

10min

• 25. Forms part 2

12min

• 26. Setup database

12min
